Dear Mr. Businessman:-

All your business life you have had a suppressed desire for a colorful letterhead.

Something that would strikingly portray the character of your concern. Denote dependability. Create confidence. Awaken a friendly interest in you--and your business.

You've known for a long time that a carefully designed letterhead will do that. Because its only human nature to judge a man or a business by his letterhead.

In fact the only contact most customers and prospects ever have with a business organization is through the medium of a letter.

May we add, with due modesty, we can provide Colorful Letterheads made to the measure of your individual personality.

This is YOUR moment--to telephone 7-3122.

Cordially yours,

THE LETTER HOUSE

TODAY . . .

. . . One of the leading mutual fire insurance companies in America

YOU CAN INSURE IN MILL OWNERS MUTUAL WITH FULL CONFIDENCE BECAUSE . . . .

- You know that your policies are backed by a strong, conservative company—a company that has stood the acid test of time for over 70 years of continuous service to its policyholders.

- You know further that your policies are standard, legal-reserve non-assessable contracts; that they are acceptable as collateral by leading life insurance companies, banks, building and loan associations and other financial institutions.

- You enjoy the assurance that if you experience a loss, it will be handled promptly and fairly. The record of the Mill Owners Mutual is unexcelled in this respect.

- You know that your property is insured with other select properties like your own. Thus the amount which the company is called upon to pay out in losses is substantially reduced as compared to less selective companies.

- You know that this policy of insuring only select risks reduces the **COST OF YOUR** insurance.

The Mill Owners Mutual provides you, along with other select property owners, the opportunity of buying safe, sound protection for your property, at a minimum cost.
